

TOP SECRET

Noted by [redacted]

Director's Meeting

Thursday, 12 July 1951

The Director asked Mr. Dulles to see that [redacted] is spoken to about the proposed LOOK article. It should be pointed out that such an article is against U.S. interests, and should not appear in LOOK or any other form. The Director pointed out that [redacted] were involved, and if [redacted] he would be in a very unhappy position. [redacted] will follow this in Mr. Dulles' absence.

25X1

25X1
25X1

Mr. Dulles reported on the possibility of furnishing help to the [redacted]. This may involve a project of about \$250,000.

25X1

The Director believes that Col. Baird's book on Career Training is a good job furnishing an excellent initial plan. He feels that Mr. [redacted] and Mr. Dulles should read it carefully.

25X1

Mr. Dulles reported on the [redacted] letter setting forth an invitation from SHAPE on CE activities in wartime. [redacted] submitted a draft cable reply for us to clear. DCI okayed the cable.

25X1
25X1

Mr. Dulles wants to close out the accounting on [redacted] projects of which there are about 22 either dead or dying. These projects should be cancelled as of June 30, 1951. We will have to accept less definite receipts than we would wish. The DCI agreed.

25X1

Mr. Dulles will take [redacted] in to see the Director this afternoon sometime after 4 o'clock.

25X1

Mr. Dulles will see [redacted] and Gen. Donovan in New York tomorrow.

25X1

The Director stated that he was very anxious to have a competent man take over the [redacted] net. Suggested that it might be well to send [redacted] over for a while.
